Inglis Summer Programs

Summer Tutoring

All grade levels and subject areas - English & French

Avoid the summer slide! Get your child caught up or ahead of grade level for the upcoming school year with one-on-one tutoring sessions that are tailored to your child's academic needs. Upon request, academic assessments can be booked prior to tutoring sessions.

Book early to secure your preferred spot.

\$47/hour

Summer Excel Program

All grade levels and subject areas - English & French

Designed for busy families, this condensed 2-week program will accelerate your child's academic growth. Select two weeks (Monday to Friday) in July and/or August and reserve your preferred time slot. Upon request, academic assessments can be booked prior to tutoring sessions.

\$445/10 hours

\$875/20 hours

All Day Adventure Camps

Ages 5 - 10 (Maximum 10 kids per group)

Our full day camps run 8:30 - 4:00 from Monday to Friday (with the exemption of statutory holidays). This theme-based program is filled with activities, such as: arts & crafts, science experiments, sports (indoor & outdoor), beach time, cooking, math games, team-building activities, leadership games, writing activities, field trips and much more. These adventure camps are for children who are excited about active learning, exploring and working together.

\$250 per week (*we accept the Affordable Child Care Benefit*)

Week #1	July 5th to 9th	Ocean
Week #2	July 12th to 16th	Nature
Week #3	July 19th to 23rd	Art Attack!
Week #4	July 26th to 30th	Science
Week #5	Aug. 3rd to 6th	Dinosaurs
Week #6	Aug. 9th to 13th	Around the World
Week #7	Aug. 16th to 20th	Sports
Week #8	Aug. 23rd to 27th	Cooking & Baking

ABC Jump-Start

Ages 5 - 7 (Maximum 6 kids)

It's never too soon to start promoting early literacy. This five day, theme-based workshop is designed for young children who are just starting their journey to becoming young readers and writers. Through kinesthetic and interactive activities, students will gain an understanding of phonics, basic spelling, sight words and printing while enjoying & sharing stories.

Workshop #1	July 26th to 30th (10:15 -11:45)	\$130
Workshop #2	Aug. 23rd to 27th (10:15 -11:45)	\$130

Young Writer's Workshop

Ages 8 - 12 (Maximum 10 kids)

At the end of this 5 day workshop, your child will feel like a professional author. While learning writing conventions and story elements, children will organize, illustrate and write their very own literary creations. Authors will be welcomed to participate in a book launch to promote their masterpieces.

July 26th to 30th (3:00 - 5:00) **\$160**

The Fundamentals: Essay Writing & Math Essentials

Ages 13 - 16 (Maximum 10 kids)

This 5 day workshop is designed to target two of the most important academic fundamentals, writing conventions & mathematics. In a small and interactive group setting, students will engage in lessons that explore proper paragraph/essay structure, punctuation and writing styles. Students will also brush up on age appropriate math concepts that will help build a solid foundation for the more complex curriculum in the upcoming school years. This program is designed for students who are focused and enthusiastic about their educational journey.

Aug. 9th to 13th (10:00 - 12:00) **\$160**

French Camp

Maximum 10 kids per group (*for students in French Immersion*)

This 5 day workshop encompasses creative, interactive and experiential activities and games to better prepare your child for the upcoming school year. Focusing on written output, the spoken language/pronunciation and reading comprehension, this workshop will help your child avoid the summer slide and further develop their French language skills.

Ages 6 - 8	Aug. 9th to 13th (9:30 - 11:00)	\$130
Ages 9 - 12	Aug. 9th to 13th (11:15 - 12:45)	\$130

Science Extravaganza!

Ages 7 - 10 (Maximum 10 kids)

Inspire your inner Einstein! This 5 day workshop is filled with experiments, games and hands-on learning. Explore biology, chemistry and physics in a theme based program designed for young science enthusiasts. Your child is sure to have a great time and take home some amazing creations.

Aug. 9th to 13th (1:00 - 2:30) **\$150**

da Vinci Code

Ages 8 - 11 (Maximum 10 kids)

Come explore the magnificent life of the Italian genius, Leonardo da Vinci! This 4 day workshop will include art, sculpting, history, mathematics and the science of innovative thinking. Through hands-on learning and creative thinking, your child will be encouraged to follow da Vinci's footsteps and think outside of the box.

Aug. 3rd to 6th (11:00 - 2:00) **\$160**

I Love Biology!

Ages 9 - 12 (Maximum 10 kids)

This 4 day workshop explores the fascinating details of living organisms on a microscopic and macroscopic scale. Through interactive and hands-on experiments, demonstrations, projects and games, students will explore topics, such as: cells & bacteria, ecology, botany, anatomy, marine life, archeology and more.

July 19th to 22nd (10:00 - 12:00) **\$160**

Math Camps!

Maximum 10 kids per group

Does the thought of math make your child's hair stand on end, or does your child simply enjoy math and is wanting a refresher before the school year begins? For whatever reason, we can help! Through a blend of structured lessons, games and interactive activities, these workshops focus on giving your child a solid foundation in mathematics (according to their grade level) while giving them the confidence for a successful school year ahead.
